CORRIGENDUM

Subject: - Revised Result of Computer Based Test and Schedule for Interview for the post of Senior Resident (Dental)-2021.

MAIDS had invited application for the post of Senior Resident (Dental) - 2021, accordingly online screening test was held on 13.03.2021 and result was declared and uploaded on the website of MAIDS on 13.03.2021 itself. **One of the post of Senior Resident, Conservative Dentistry is reserved for EWS category. None of the candidates belonging to EWS category applied for the said post. In view of the COVID-19 pandemic situation the post of Senior Resident has to be filled and there is no provision of backlog for EWS category, it has been decided to fill up the post reserved for EWS category by UR category.**

At the time of declaring the result on 13.03.2021, inadvertently evaluation was done on the basis of both papers separately i.e. those who did not qualify either of the paper as per qualifying marks prescribed viz. 50%, 45% & 40% marks for UR/EWS, OBC & SC/ST respectively and list of successful candidates was prepared accordingly. Since it was not clearly mentioned in the advertisement dated 05.02.2021 that merit list will be prepared on the basis of combined marks of Paper I & II and candidate has to qualify both papers separately, accordingly, the revised result is being declared on the basis of combined marks of 400 of Paper - I & II as under:-
